Section 1. Introductory Information

1.1 Background information on the Regional School of Public Administration (ReSPA)

The Regional School of Public Administration (ReSPA) is an inter-governmental organisation for enhancing regional cooperation, promoting shared learning, and supporting the development of public administration in the Western Balkans. ReSPA Members are Albania, Bosnia and Herzegovina, Montenegro, North Macedonia, and Serbia, while Kosovo*¹ is a beneficiary. ReSPA's purpose is to help regional governments develop better public administration, public services, and overall governance systems for their citizens and businesses and prepare for membership in the European Union.

ReSPA establishes close cooperation with ministers, senior public servants, and heads of function in Member countries. ReSPA also works in partnership with the European Union, Directorate General for Neighborhood and Enlargement Negotiations (DG NEAR), other regional players such as OECD/SIGMA and Regional Cooperation Council (RCC), as well as agencies and civil society organisations. Since its inception, ReSPA, as an international organisation and a key regional endeavour in Public Administration Reform, has contributed to capacity-building and networking through in-country support mechanisms, peering, and the production of regional research material.

The European Commission (EC) provides directly managed funds to support the ReSPA activities (research, training, and networking programs) in line with the EU accession process. So far, four EC Grant Contracts (GCs) have been implemented by ReSPA during 2010-2022. The current EC grant supports the implementation of the activities required to achieve the ReSPA's strategic objectives during 2023-2025.

ReSPA works primarily through regional networks, which operate at three levels: Ministerial, Senior Officials, and networks/working groups of experts and senior practitioners. There is one network – Programme Committee composed of the representatives of institutions in charge of PAR, government policy planning, and the European Integration coordination process and four regional thematic groups: Policy planning, better regulation and coordination of Centre of Government; European integration and accession negotiations (with specific reference to PAR and governance aspects); Human Resources Management and Development; and Service Delivery (digitalisation and quality management).

ReSPA is implementing its activities through the Secretariat, which consists of 19 staff members from the Western Balkan region. The Secretariat is located in Danilovgrad, Montenegro.
