

# ReSPA

Regional School  
of Public Administration

## Network on Human Resources Management for Western Balkan Community of Practitioners

Second event

Tirana (Albania), 09-10 May 2013

**Provisional Agenda**

## Detailed Agenda

The second event will be focused on the proposed upgrade of activities for RESPA Network and the creation of technical groups to support the activities of Public Administration Network in Western Balkans. The idea to create the PA Network was discussed before in principle in ReSPA bodies and in this occasion it will be detailed before starting implementation in practice. The role of CoP will be also explained in this optics and the program of activities for 2013 will be established.

The second event will discuss a new framework for regional cooperation on public governance reform and the more suitable methods to its operationalization.
