DSC EUROPE 2024
NETWORK

We are gathering the fastest-growing AI & Data community in Europe. Over 70 local AI & Data communities and 50 elite academia are supporting our work as Conference ambassadors, helping us in reaching near 10 million Data & AI lovers.

We expect over 5.000 attendees to be present in Belgrade at the conference venue. During our previous event, we gathered 3.000 attendees from 55 countries, with an average of 6,85 years of experience in AI & Data.

PROFILE

As a tech-first Conference, most of our attendees are deep into Data Science & AI or willing to step in that world, but use-case and business talks are surely attracting decision makers.
