AGILE SERBIA CONFERENCE

All-Stars Edition 2020

Agile Serbia was founded as an educational center of the company [Puzzle Software](#) 8 years ago. Since its foundation, **the focus has been on Agile Software Development and its improvement.** Agile Serbia is fully committed to helping businesses to become Agile – to be adaptable and flexible to changes and market challenges. Our biggest regional Agile gathering is **Agile Serbia Conference**, brand famous in country and abroad.

This December, we are organizing **5th in a row Agile Serbia Conference** and a **special edition** of it!

To help you connect with your colleagues, Agile Coaches and mentors for two days of learning, sharing, and connection we have prepared brand new **Agile Serbia Conference – All-Stars Edition 2020** on **7 & 8 December!**

Thanks to our **app MatchAbout**, this fully virtual experience is your chance to meet all Agile stars in one place. MatchAbout provides the same unique experience as an on-site event. The main event wall, live interactions with participants and visual positioning provide the same reality as physical presence. **5th Agile Serbia Conference** offers **2 stages, amazing lectures and exciting panels.** This unique gathering of notable Agile practitioners and leaders brings together senior professionals from Product Development teams, as well as Scrum Masters, Product Owners, Project and Product Managers or HR Professionals.

This is the place where Agility meets its purpose! Download our app MatchAbout from Google Play/App Store, sit back and start the countdown!

Let's discover the world of Agility!
