Regional Expert for Preparation of ReSPA Policy on Partnering and Development

Background

The Regional School of Public Administration (ReSPA) is the inter-governmental organization for enhancing regional cooperation, promoting shared learning and supporting the development of public administration in the Western Balkans. ReSPA Members are Albania, Bosnia and Herzegovina, Montenegro, North Macedonia, and Serbia, while Kosovo^{*2} is a beneficiary. ReSPA's purpose is to help governments in the region to develop better public administration, public services and overall governance systems for their citizens and businesses, and prepare for the membership of the European Union.

ReSPA establishes close co-operation with ministers, senior and middle public servants in Member countries. ReSPA also works in partnership with the European Union, specifically Directorate General for Neighbourhood and Enlargement Negotiations (DG NEAR), other regional players such as OECD/SIGMA and Regional Cooperation Council (RCC), as well as agencies and civil society organizations. Since its inception, ReSPA, as an international organisation and a key regional endeavour in Public Administration Reform, has contributed to capacity-building and networking activities through in-country support mechanisms, peering and the production of regional research material.

The European Commission (EC) provides directly managed funds for the support of the ReSPA activities (research, capacity building and networking programmes) in line with the EU accession process. So far, three EC Grant Contracts (GCs) have been implemented by ReSPA during the period 2010-2018. The current EC grant supports the implementation of the activities required for contribution to the achievement of the three strategic objectives (better implementation of PAR and PFM policies, further professionalization of public sector and better quality of services to citizens and businesses) during the period 2019-2021.

ReSPA works primarily through regional networks which operate at three levels: Governing Board at Ministerial level, Governing Board at Senior Officials level, and networks/working groups of experts and senior practitioners. There is one network – Programme Committee composed of the representatives of institutions in charge of PAR, Public Financial Management (PFM) and government policy planning and the European Integration (EI) coordination process and five Working groups: (1) Centre-of-Government Institutions; 2) Better Regulation; 3) Human Resource Management and Development; 4) E-Governance; and 5) Quality Management.
