## **Section 1. Introductory Information**

1.1 Background information on the Regional School of Public Administration (ReSPA)

The Regional School of Public Administration (ReSPA) is an inter-governmental organization for enhancing regional cooperation, promoting shared learning and supporting the development of public administration in the Western Balkans. ReSPA Members are Albania, Bosnia and Herzegovina, Macedonia, Montenegro and Serbia, while Kosovo\* is a beneficiary. ReSPA's purpose is to help governments in the region develop better public administration, public services and overall governance systems for their citizens and businesses, and prepare for membership in the European Union.

ReSPA establishes close cooperation with ministers, senior public servants and heads of function in Member countries. ReSPA also works in partnership with the European Union, specifically Directorate General for Neighborhood and Enlargement Negotiations (DG NEAR), other regional players such as OECD/SIGMA and Regional Cooperation Council (RCC), as well as agencies and civil society organizations. Since its inception, ReSPA, as an international organization and a key regional endeavour in Public Administration Reform, has contributed to capacity-building and networking activities through in-country support mechanisms, peering and the production of regional research material.

The European Commission (EC) provides directly managed funds for the support of the ReSPA activities (research, training and networking programmes) in line with the EU accession process. So far, three EC Grant Contracts (GCs) have been implemented by ReSPA during the period 2010-2018. The current EC grant supports the implementation of the activities required for contribution to the achievement of the three strategic objectives during the period 2019-2021.

ReSPA works primarily through regional networks which operate at three levels: Ministerial, Senior Officials, and networks/working groups of experts and senior practitioners. There is one network – Programme Committee composed of the representatives of institutions in charge of PAR, Public Financial Management (PFM) and government policy planning and the European Integration (EI) co-ordination process and five Working groups: (1) Centre-of-Government Institutions; 2) Better Regulation; 3) Human Resource Management and Development; 4) E-Governance; and 5) Quality Management.
