ReSPA also works in partnership with the European Union, Directorate General for Neighborhood and Enlargement Negotiations (DG NEAR), other regional players such as OECD/SIGMA and Regional Cooperation Council (RCC), as well as agencies and civil society organizations. Since its inception, ReSPA, as an international organization and a key regional endeavor in Public Administration Reform, has contributed to capacity-building and networking through in-country support mechanisms, peering, and the production of regional research material.

ReSPA works primarily through regional networks, which operate at three levels: Ministerial, Senior Officials, and networks/working groups of experts and senior practitioners. There is one network – Programme Committee composed of the representatives of institutions in charge of PAR, government policy planning, and the European Integration coordination process and four regional thematic groups: Policy planning, better regulation and coordination of Centre of Government; European integration and accession negotiations (with specific reference to PAR and governance aspects); Human Resources Management and Development; and Service Delivery (digitalization and quality management).
